Head Teacher's Special Mention Awards

Postponed in light of yesterday's sad news.

A little note from Mrs FitzGerald...

Welcome to the new school year! A warm welcome to our parents, carers and pupils, especially those of you joining our Hundon School Family for the first time.

We have been working hard at Hundon and Thurlow Primary Federation, both before the term ended and through the summer to enhance further our Federation curriculum. We have new themes and supporting class texts to engage and enthuse all our children and we have been updating our reading approach as well as renewing our reading materials across both schools.

We will be continuing to embed our complementary resources in Maths, Music, Computing and French and further enriching our curriculum 'offer' across all subjects. The children's wellbeing and mental health remain a priority and our excellent pastoral support and learning provision in PSHEE (Personal, Social, Health & Economic Education) will continue to support these areas.

The learning environment has had some attention over the holiday and will continue to do so, both inside and out, as the term progresses - watch this space! Some of you may have noticed installation work has started on our long awaited wellbeing hub with the foundations installed in August.

Thank you for all your support with the children's smooth start to the school year. The children are looking so smart and proud - fabulous to see! As the first week comes to a close we have been so impressed with how well all the children are settling, following routines, working hard and giving their best efforts - they are a credit to you all!

We are really looking forward to working with you and your children as they embark on the next steps in their learning. We are fortunate to have a dedicated team who go 'above and beyond' daily - your children are at the heart of everything we do.

Warmest regards, Mrs FitzGerald

THANK YOU!

A huge thank you to all the children and parents for your kind words, cards and gifts at the end of term - we very much appreciate your kindness and generosity!

FOR YOUR INFORMATION

On a Monday morning, we have a short staff briefing at 8.30am to share anything pertinent about the day / week. This meeting includes all staff and means the School Office may be unmanned for a short amount of time. Please be patient, a member of staff will return!

CLASS NEWSLETTERS

Our Class Newsletters will be 'winging their way' to your inboxes today via ParentMail and on Class Dojo, in fact you might already have got them by the time you read this newsletter! Class Teachers will also upload them to Class Dojo and a paper copy will be available from the School Office if required.

We have maintained our extended and consistent content whilst sustaining the individual nature of each class and team ~ hopefully! If there are other things you would like included in the newsletters, class or otherwise or have suggestions then please come along to our **Parent Forum session** which is planned **for Monday 26th September, straight after drop-off.**

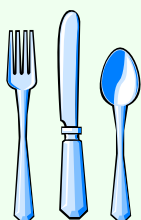

'MEET THE TEACHER' SESSIONS

We introduced these some years ago with teachers sharing information on a 'typical' day in the classroom, the timetable, themes, subject details, and so on to support parents in knowing what their child is learning. Details of sessions have been shared via Class Dojo.

Remember these sessions are for you so if you have any particular questions / topics / information you'd like to know specifically please let your child's teacher know in advance so they can include these in their session.

BREAKFAST CLUB AND AFTER-SCHOOL FOOTBALL CLUB

As mentioned earlier this week both clubs have reached capacity with health and safety in mind. If anyone wishes to be added to, a waiting list, please speak to the School Office and we can let you know if, and when, a place becomes available.

SCHOOL MEAL REMINDER

The cost of a school meal in Years 3 to 6 is £2.30 (a week is £11.50.) **School meals MUST be paid for in advance.** Payment is required online where a minimum of five meals must be purchased at any one time. The cost of the first half of the Autumn term is £80.50.

Data Collection Forms

The data collection forms will be coming home with children in the coming week so please look out for them in book bags. Please make any amendments to details on the data collection forms as necessary before returning to school. If there are any details you think we need to know please inform the school office. Many thanks in advance.

REMINDER!

Please be sure to name all uniform, particularly ties, jumpers and cardigans. This helps us ensure misplaced items can be returned quickly ~ thank you for your support in this matter.

NON-UNIFORM DAY IN SUPPORT OF MACMILLAN FRIDAY 30TH SEPTEMBER

Funds raised will be donated to this important charity. During the day, the children will have the opportunity to decorate and eat a cake provided by the school.

PARENT FORUM ~ Monday 26th September, straight after drop-off.

I am hoping to re-establish our Parent Forum and to this end, the next session will be on Monday 26th September, straight after drop off in the morning. This is an informal group, which typically meets termly. Every parent / carer with a child enrolled at the school is automatically a member and can come along.

The purpose of Parent Forum is to support parents in being involved in their child's school life. We share information on developments in school, these are linked to learning as well as the learning environment, we consult on policy and it is an opportunity for parents to raise issues and give their views.

YOUTH SPORT TRUST

Please find attached a link to the latest magazine from the Youth Sports Trust. It has lots of good ideas, hints and tips for getting active! Also, don't forget Wednesday 21st September is NATIONAL FITNESS DAY!
