Welcome to the Hundon and Federation Family, we are so pleased you are here!

A little note from Mrs FitzGerald...

Welcome to the new school year! A warm welcome to our parents, carers and pupils, especially those of you joining our Hundon School Family for the first time.

We have been working hard at Hundon and Thurlow Primary Federation, both before the term ended and through the summer to enhance further our Federation curriculum. With our return to four classes we have worked hard to review and update our bespoke rolling curriculum, with new themes and supporting class texts to engage and enthuse all our children, ensuring sufficient opportunities to revisit and extend skills as well as introduce new and exciting topics through which our children will gain the subject specific skills and knowledge.

We are also embedding new complementary resources in Maths, Music, Computing and French to further enriching our curriculum 'offer' across all subjects. The children's wellbeing and mental health remains a priority and our excellent pastoral support and learning provision in PSHEE (Personal, Social, Health & Economic Education) and BRAVE (Beliefs, Religions & Values Education) will continue to support these areas.

Following parental feedback, we are returning to half-termly class newsletters, the first of which will be shared next week and again in response to your views we are increasing the level of information within these so you have a good knowledge and understanding of what your children are learning.

We also have our 'Meet the Teacher' sessions scheduled for the week beginning 18th September (please check the 'Forthcoming Events' dates for which day is for your class) which will also give you lots of information on a 'typical day' as well as specifics about what your children are learning.

Thank you for all your support with the children's smooth start to the school year. The children are looking so smart! As the first week comes to a close we have been so impressed with how well all the children are settling, following routines, working hard and giving their best efforts - they are a credit to you all!

We are excited to be working with you and your children as they embark on the next steps in their learning. We are a dedicated team who go 'above and beyond' - your children are at the heart of everything we do.

Warmest regards, Mrs FitzGerald

THANK YOU!

A huge thank you to all the children and parents for your kind words, cards and gifts at the end of term ~ we very much appreciate your kindness and generosity!

FOR YOUR INFORMATION

On a Tuesday morning, we have a short staff briefing at 8.20am to share anything pertinent about the day / week. This meeting includes all staff and means the School Office may be unmanned for a short amount of time. Please be patient, a member of staff will return!

SWIMMING

Hawthorn Class will start their swimming sessions at the leisure centre from Tuesday 12th September and will need to remember their kits.

Given the lovely weather we are keen to make use of the school pool whilst we can. Willow Class will have swimming sessions at Thurlow's heated pool from Tuesday 12th September and will need to remember their kits.

'MEET THE TEACHER' SESSIONS

We introduced these some years ago with teachers sharing information on a 'typical' day in the classroom, the timetable, themes, subject details, and so on to support parents in knowing what their child is learning. Details of sessions are in the forthcoming events list and will also be shared on Class Dojo.

Remember these sessions are for you so if you have any particular questions / topics / information you'd like to know specifically please let your child's teacher know in advance so they can include these in their session.

MORNING CLUB AND AFTER-SCHOOL FOOTBALL CLUB

Just a reminder that these sessions cost £2 per session which must be paid for in advance. We still have places available within our morning and football clubs, please speak to the School Office for more information.

SCHOOL MEAL REMINDER

The cost of a school meal in Years 3 to 6 is £2.50 (a week is £12.50.) **School meals MUST be paid for in advance.** Payment is required online where a minimum of five meals must be purchased at any one time. The cost of the first half of the Autumn term is £82.50.

Data Collection Forms

The data collection forms will be coming home with children in the coming weeks so please look out for them in book bags. Please make any amendments to details on the data collection forms as necessary before returning to school. If there are any details you think we need to know please inform the school office. Many thanks in advance.

REMINDER!

Please be sure to name all uniform, particularly ties, jumpers and cardigans. This helps us ensure misplaced items can be returned quickly ~ thank you for your support in this matter.

SCHOOL UNIFORM

The children are looking very smart in their uniforms, thank you so much for your support with this. It really helps with enhancing the children's sense of belonging and contributes to their attitude to their learning and work. Our uniform requirements are as follows:

PARENT FORUM ~ Thursday 12th October. straight after drop-off.

I am hoping to re-establish our Parent Forum and to this end, the next session will be on Thursday 12th October, straight after drop off in the morning. This is an informal group, which typically meets termly. Every parent / carer with a child enrolled at the school is automatically a member and can come along.

The purpose of Parent Forum is to support parents in being involved in their child's school life. We share information on developments in school, these are linked to learning as well as the learning environment, we consult on policy and it is an opportunity for parents to raise issues and give their views.

PARKING AROUND THE SCHOOL SITE

We are sending this message to remind parents and carers of the importance of driving and parking safely around the school site. It is vital due care and attention for our school, our neighbours and other drivers is given.

We know it is very challenging to park around the school site but none of us want a child attending our setting to be a road traffic accident statistic. Please ensure when parking there are gaps left to ensure passing cars can in fact pass and ensure the front of school is accessible ~ this is with the emergency services in mind.

Please remember you can park at the village hall and the Rose and Crown pub and take the short walks from either location to and from the school site.

Thank you for your support in this important matter.

FORTHCOMING EVENTS

Others will follow but I know lots of you will want to get these onto the calendar as soon as possible. The team and I are continuing to add to our schedule with special days, visitors and trips, including some additional 'share' opportunities - we will keep you posted!
